Modelul autorizației CEMT pentru efecte de strămutare
Model of authorisation for international removals

Text written in the official language(s) used in the country of registration of the vehicle

General conditions

This authorisation must be carried on the vehicle and be produced at the request of any authorised inspecting officer.

It authorises only international removals. It is not valid for national transport.

The authorisation is not transferable to a third party.

The carrier is required to comply, in the territory of each Member country, with the laws, regulations and administrative provisions of that country, and in particular with those concerning transport and traffic.
